Hello everyone! Welcome to 8th grade math. I hope that everyone had a great summer and enjoyed themselves. I am extremely excited about this year. I think that you will find 8th grade math to be both interesting and challenging. We have many topics to cover this year to prepare you for high school-level mathematics. These topics involve equations and expressions, exponents, functions and graphing, geometry, and much more. Let's get to it!

Materials (bring each day)

- Master Notebook – 3 Sections: Class/Homework/Graded
- 5 Subject Notebook (Notes/Warm Ups/Activities/Etc)
- **Pencil**

My Expectations

- Be on time
- Be prepared with your materials each day
- Respect others in the classroom
- Absolutely no hats, chewing gum, backpacks, cell phones, or iPods in class
- Participate during class and pay attention during lessons
- Give your all in math class everyday and never quit

Grading Policy

- **10% Homework**
- **20% Spiral Reviews**
- **30% Quizzes**
- **40% Tests**

What will take place during math class?

- Warm up activities and problems
- New Lessons
- Group-work and discovery
- Writing about mathematical concepts

Goals

- Help you to become a well-rounded student
- Help you to improve and push through challenges and struggles
- Prepare you for the NYS Math Assessment Test
- Prepare you for high school

Extra Help

Receive a pass from me anytime for help during lunch. For help after school, see me to set up an appointment! If you are struggling with an assignment at home, feel free to email me with your struggles and I will send you some help! Also, each morning at 7:35 AM in ROOM 102!!!
